

Dear Student Applicant:

Attached is the Fordham Lee Poffenbarger scholarship application. Each year we award scholarships to deserving, graduating high school seniors attending a Frederick County High School to help support their academic and educational goals. The number of scholarships and the scholarship amount varies.

This memorial fund scholarship was established to honor the life of our son Fordham Lee Poffenbarger. His infectious smile, beautiful brown eyes and sweet nature touched everyone who knew him.

Thank you for your interest in our program, and good luck!

Blessings,

Bill and Amy Poffenbarger
